● ENJOYING THE OUTDOORS THIS SUMMER

The **Blackdown and Ridge Hill Circular** is a moderately challenging 9.8km trail through the beautiful hills of West Sussex. The walk is dog-friendly and provides great viewing points and an array of wildlife. The route takes approximately 3 hours to complete.

Alternatively, **Haslemere Hills and Heather** is another circular route through 14.5km of scenic countryside. This moderately challenging route is dog-friendly and takes approximately 4 hours 30 minutes to complete.

In addition, there are plenty of National Trust sites and parks in the area surrounding Haslemere. You can visit **Black Down**, the highest point in the South Downs National Park, **Swan Barn Farm** and **Marley Common**, all boasting a wide variety of interesting wildlife and picturesque countryside views.

● PUBLIC TRANSPORT

Your nearest bus stop is the **Bridge Bus Stop** located on the B2131 Camelsdale Road, approximately an 8 minute walk from your home. This bus stop is served by the Number 70 and 71 bus services operated by Stagecoach Buses, which run between Midhurst and Guildford.

● CYCLING THIS SUMMER

Check your bike: Give it a check over to make sure everything is still screwed tightly and that the tread on the tyres aren't too worn. Pump them up to the correct pressure so you're prepared for whatever comes your way.

Get your gear on and light up: People may see your bike by now but they might not see you. Accessorise yourself, put on your reflective gear, helmet, appropriate shoes, sunglasses and gloves. Make sure your bike has appropriate lights and reflectors when riding in the dark. Why not visit your local cycle store, **MB Cyclerly!**

ENTERPRISE CAR CLUB

Car-sharing is an efficient, eco-friendly method of travel. Enterprise Car Club operate within Haslemere, on Sturt Road, GU27 3RX. This is just 700m, approximately a 9 minute walk from your home. Car Club vehicles are available for rent per hour, or per day and can be picked up from convenient locations. This is a far greener way of travelling, as Car Club cars produce 43% less carbon dioxide than the average car!
